ALLIES SPRINGING NO TRAPS

Washington, Aug. 7.—The dispatch of General Chaffee, written before the battle of Sunday, confirms the disposatches recived at the navy department yesterday and also the press dispatches received oday concerning the attack on the Chi ness at Pel Tsang. General Chafffee's Offer to Send to Tien Tsin dispatch dated Friday, was not sent from Che Foo until today, an inexplicable deay. The most interesting feature of the lispatch is the information regarding the ositions of the Chinese army, and the fact that the advance upon Pekin is made by two columns, one on each side of the Pel River.

The international force as given by Seneral Chaffee, would aggregate abou 14,000 men, while the other dispatches say 15,000, but this difference can easily be accounted for, as more men night have been available when the movement be gan than when the conference was held on the 3rd instant.
